Letter of invitation – Exchange student at NTNU in Gjøvik

We hereby confirm that **Muhammad Daniyal** (07.12.1994) is invited to NTNU in Gjøvik as an exchange student through CONNECT. The student will be registered as a full-time exchange student at the Faculty of Information Technology and Electrical Engineering for the period January until June 2026 (5 months). They will be taking the course MT4461 Project work for exchange master students (30 ECTS) in the Spring semester.

The contact person for the project is Ali Shariq Imran (ali.imran@ntnu.no) and they can be contacted for any clarifications or questions.

Funding

The student will be funded 15 169 NOK x 5 months = 75 845 NOK from the CONNECT project.

Accommodation

The student is secured housing through SiT student housing for their stay.

Student Residence permit

We recommend new exchange students to apply for student resident permit through the nearest Norwegian embassy or consulate as soon as possible after receiving this letter.

This letter is meant as the necessary documentation of acceptance at NTNU and financial report for the application for the student residence permit.

For any questions regarding the content of this letter, please contact us.
